

PHILIPPINE FRONTLINE MINISTRIES

35 Years of "Working While it's Day"

Hello!

Rowena and I have now been traveling and ministering in Canada and USA for the past eight weeks. Though it's been tiring, we have been blessed to again visit family, friends, and faithful ministry partners. We've had a great time speaking at churches, and other gatherings, connecting with new people, and reconnecting with long time Frontline partners.

As I said in our last letter, for Winnie and I "living the dream" is walking and working with the Lord; to be involved in the work of *reaching and helping people find their way back to God!*

Last month we mentioned our special event dubbed **Making a Difference**, slated for June 14th, at Tustin, California. We're happy to announce that we are *also* having a dinner event in Illinois on June 22nd (see flyer at left side).

To come and enjoy the Illinois event, you'll want to RSVP so the Chef's can prepare your meal! You will not want to miss the fun, food, and enjoyment of great music on this night. RSVP by calling 815-221-1701.

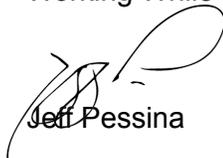

To enjoy the California event on June 14th, email me at jeff@thefrontline.asia and we will send you RSVP details.

Note also that anyone can participate by sending in a donation earmarked **Making a Difference** on the memo line, or by donating online at www.thefrontline.asia/donate.

You can also see a short video about the school project at www.thefrontline.asia/frontline-christian-academy/.

Please pray for both of these events! We are trusting God to provide all that is necessary to open classes at a new Frontline Christian Academy school by June of 2018. Thanks again for partnering with us to *make a difference* in the world in our generation!

Working While it's Day,

Jeff Pessina
